

# Product Change Notification

**Overview:** Please be advised that the following is notice of change to the Fire Research Focus Scene Lighting product line.

**Products Affected:** All Focus lampheads using a 2000 watt bulb. This includes all mounting options that call for a L20 style lamphead with a part number in the form: FCAXXX-L20

**Change Description:** The above lampheads are being discontinued.

**Reason For Change:** Lampheads that provide high output (over 40,000 lumens) are being redesigned to be more efficient with higher lumen output.

**Replacement Product:** A direct replacement for the L20 lamphead is not available at this time.

The M style lampheads (1000 and 1500 watt) will continue to be produced.

**References:** No references are applicable.

**Response:** No response to this notification is required. Requests for additional information should be directed to an FRC sales representative at 1.800.645.0074.
