

Product Change Notification

Overview: Please be advised that the following is notice of change to the Fire Research Automatic Tank Fill System product line.

Products Affected: All Automatic Tank Fill Systems using the Elkhart 2.5" electrically actuated ball valve part number 2925E.

This includes the following FRC current part numbers:

ATA400

(And all pre-2005 part number: AT4000)

Change Description: The above system is being discontinued.

Reason For Change: The 2925E Elkhart valve has been discontinued rendering this Automatic Tank Fill system obsolete.

Replacement Product: FRC will continue to provide service and parts for the ATA400 components.

No direct replacements are being offered at this time.

References: No references are applicable.

Response: No response to this notification is required. Requests for additional information should be directed to an FRC sales representative at 1.800.645.0074.
