

# Product Change Notification

**Overview:** Please be advised that the following is notice of change to Fire Research TankVision pressure sensors.

**Products Affected:** Tank pressure sensor (0 – 5 psi) used for the TankVision indicator. This includes the following FRC part number:  
XE-WLPTKM-Sxx

**Change Description:** The above pressure sensor is being discontinued. A new WLPT4 series pressure sensor will be a direct replacement in all orders starting on or about 15SEP13.

**Reason For Change:** Part of the ongoing process to improve FRC product reliability.

**Replacement Product:** New pressure sensor is a direct replacement. It meets or exceeds all electrical and mechanical requirements, uses the same 3-Pin Packard connector, and mounts in the same size 1/4 inch NPT port. Overall height (2.8") and width (0.87") are the same.

The FRC part number for the new sensor:  
XE-WLPT4-S0A

**Response:** No response to this notification is required. Requests for additional information should be directed to an FRC sales representative at 1.800.645.0074.
