

Product Change Notification

Overview: Please be advised that the following is notice of change to the Fire Research Optimum and Magnafire Scene Lighting products.

Products Affected: All scene lighting lampheads using the 240 volt, 900 watt HIR bulb. This includes the following FRC lamphead models:
Optimum series all R90 models
Magnafire 3000 series all 39 models

Change Description: All 900 watt HIR lampheads are being discontinued on or about 15NOV13.

Reason For Change: The 240 volt, 900 watt HIR bulb is no longer available.

Replacement Product:

To replace bulbs the 240 volt, 1000 and 1500 watt Quartz Halogen bulbs are direct replacements for the 900 watt HIR.

Note: These bulbs are the same physical size but do have a higher current draw.

1000 watt / 240 volt = 4.2 amps

1500 watt / 240 volt = 6.25 amps

To replace lampheads the following are the same size, 240 volt lampheads:

Optimum series use M12 (1000 watt) or M15 (1500 watt) models

Magnafire 3000 series use 3B (1000 watt) or 3D (1500 watt) models

References: No references are applicable.

Response: No response to this notification is required. Requests for additional information should be directed to an FRC sales representative at 1.800.645.0074.
