

Product Change Notification

Overview: Please be advised that the following is notice of change to the Fire Research Evolution LED Scene Lighting product line.

Products Affected: All Evolution LED lamphead models –V08, –V12 (Recessed), and –V15. *This includes all mounting options.*

Change Description: The above lampheads are being discontinued as of December 1, 2015, and replaced with the following Evolution II models:

Evolution models ending with –V08 are being replaced with Evolution II –V11.

Evolution models ending with –V12 (Recessed) are being replaced with Evolution II –V15 (Recessed).

Evolution models ending with –V15 are being replaced with Evolution II –V20.

Reason For Change: The Evolution II models incorporate updated electronics with new more efficient LED arrays and increased LED lumen output.

Replacement Product: The Evolution II lamphead is a direct replacement for the Evolution LED lampheads. No form, fit, or function parameters have changed.

The Evolution II lamphead model numbers ending with –V11, –V15 (Recessed), and –V20 have the same dimensions, power requirements, and mounting options as the Evolution –V08, –V12 (Recessed), and –V15 models.
