

SPECTRA MOBILE™

A bright portable scene light designed for rapid deployment.

Built Tough for First Responders

Rugged construction, a unique lens design, and multiple mounting options make this scene light the perfect fit for first responders.

Spectra Mobile™ provides 15000 lumens of bright light. Powerful Spot/Flood LEDs to illuminate the scene efficiently, close up with Flood LEDs and in the distance with Spot LEDs.

Spectra Mobile's unique feature of light intensity control and amber illumination aid visibility in outside environments such as severe forest fire conditions and heavy smoke.

Great for rapid deployment in urban and rural search operations.

Key Features:

- 15K lumens Spectra™ lamphead
- Compact lamphead design
- Plunging and hanging spike
- Rubber hanging strap
- Kick stand
- Pole mountable
- 5-light operating modes
- Compatible with Milwaukee® battery, 18v, 12Ah
- Low battery alerts with a "Double Flash" when the voltage starts to reach a low level. Light will automatically turn off when the battery level is low. 12Ah rechargeable battery is compatible with other battery operated tools you may already own
